

Delivery Through Accelerated Learning

MaST uses accelerated learning techniques in all our courses to maximise the learning experience for each participant whatever their learning preference.

Techniques include:

- ❑ Design and delivery to appeal to the 9 different intelligence's (musical, spatial, verbal, maths and logical, interpersonal, intrapersonal, physical, naturalistic, spiritual)
- ❑ Using of the big picture/little picture technique
- ❑ Using of learning or mind maps
- ❑ Using graphic agendas, toys and colourful pictures to stimulate interests and motivation to learn
- ❑ Breaking information down into smaller chunks
- ❑ Staying in 'up time' i.e. concentrating and focused
- ❑ Using music to create mood and improve memorability of content
- ❑ Working with different partners/groups
- ❑ Developing own action checklists and ticking things off when completed
- ❑ Developing bespoke scenes and role plays with actors and directors in our Theatre department
